NEVER DIE. NEVER WIN. ETERNALS.

What's the point of an eternal battle?

For millions of years, one hundred Eternals have roamed the Earth, secret protectors of humanity. Without them, we'd be smears between the teeth of the demon-like Deviants. Their war has waged for all time, echoing in our myths and nightmares.
But today, Eternals face something new: change. Can they – or anyone on Earth – survive their discovery?
From the thought provoking minds of Kieron Gillen (*The Wicked + The Divine*, UNCANNY X-MEN, THOR) and Esad Ribić (SECRET WARS, KING THOR) comes a new vision of the classic Marvel mythology!

SPOTLIGHT ON
Native American Heritage Tribute
VARIANT COVERS BY ARTIST JEFFREY VEREGGE

The story of the hero is an ancient one. Starting with the very first cave drawings, artists and writers from across the globe have both captured and shared the fateful acts of their people's heroes.

Being from the Pacific Northwest, my own people, the S'Klallam Tribe, have used the art style known as Formline to record and share the stories of our people since time immemorial. The art style I use in my own work today is an extension of the same shapes and forms used for hundreds of years by Native artists from and around the very same region.

As a lifelong comic fan, artist and Native American, I am truly honored to work with Marvel Comics today. Not only to create pieces that represent a voice for Indigenous People in honor of Native American Heritage month, but also for the opportunity to share the same storytelling spirit of my ancestors by sharing the tales of some of today's heroes.

PENCILED BY JOHN ROMITA JR. WITH HERB TRIMPE, KEITH POLLARD, KEITH GIFFEN, JOHN BYRNE & CARMINE INFANTINO
COVER BY JOHN ROMITA JR.

Many have lent their talents to IRON MAN, but few — if any — have had a greater impact than the creative trio of David Michelinie, Bob Layton and John Romita Jr. has! They remade IRON MAN with new co-stars — including Jim Rhodes, the future War Machine — and new armors, but more important than anything else, a new and character-defining take on the man inside the armor. Their Tony Stark is a hero not because of the extent of his technological wizardry, but because of his perseverance in the face of his own personal failings. This beautifully restored Marvel Masterworks edition presents the beginning of the reinvention of a Marvel icon, culminating in the classic "Demon in a Bottle"!
